**No strain**

A vertical, ergonomic design places your hand in a more natural position, preventing or reducing wrist and arm strain.

Cut the cord

Work wirelessly via a storable USB receiver or Bluetooth, providing you all the room you need to work, tangle-free.

**Charged up**

No need for disposable batteries – simple connect and recharge when the LED display shows your battery life is nearly empty. Plus, an energy-saving on/off switch helps conserve battery life.

Buttons and buttons

9 total buttons – 5 of which are programmable – keep your fingers busy and your experience customised.

In the know

An LED display shows button functionality, DPI, connection status, and remaining battery life, so you're aware of all the details – and fully in control.
