Cover the Basics

Keyboards come in all shapes and sizes, but what if you only need to cover the basics? The Trust TKM-250 does exactly that. It has a full-size layout, spill resistant keys and it's height adjustable. It comes with a simple, ambidextrous mouse so you can go to work the moment you plug this set in your PC, and it uses an easy-to-open and sustainable packaging, helping both the environment and saving valuable time. The TKM-250 does exactly what you want it to do.

Comfort

A good keyboard needs to be comfortable to use. The low profile keys in this full-size keyboard and the fold-out feet provide exactly the comfort you need to focus on your work. You don't even have to worry about spilling something on the TKM-250, as the spill resistant design will let you continue your work without hassle. Just pour yourself a new cup of coffee and let's go.

Easy

Plug in the 180cm long USB cable and you're good. When you've got work to do, you don't want to worry about installing software or setting macros. The TKM-250 is a workhorse so you can focus on the job at hand.

Mouse with ambidextrous design

This set comes with a simple, easy-to-use mouse to make sure you have everything you need to get to work fast. Its ambidextrous design means it can be used comfortably by both left- and right-handed users, and its high quality finish ensures a firm grip on your digital projects.
